The Alabama Fire Sprinkler Association is pleased to announce the 17th Annual Alabama Fire Sprinkler Association Tony Bice Memorial Golf Tournament. Proceeds from this popular golf tournament benefit the Children's Hospital Burn Center, the UAB University Hospital Burn Center and the University of South Alabama Regional Burn and Wound Center. This year's event will be held at Pine Tree Country Club in Birmingham on May 17, 2010.

- Every two seconds a fire occurs
- Every 21 seconds someone is burned
- Over 1,800 outpatient and emergency burn victims seek help at Children's Hospital yearly.
- The UAB University Burn Center annually admits an average of 450 burn patients per year with about 400 other burn victims treated as outpatients.
- The University of South Alabama Burn Center admits an average of 400 adults and 200 pediatric burn patients per year.

Our golf tournament has raised over \$998,000 for these marvelous Alabama burn care facilities. This year will mark a huge milestone as we will surpass the **\$1 Million mark in Total Contributions**.

We ask you to help by participating as a golfer or a sponsor. Please accept our invitation to support this worthy charitable event. Your help will be celebrated in many ways at our golf tournament, but more importantly **your help may save the life of a fire victim.**

Please complete a 2010 Golfer and/or Sponsorship form. Return it as soon as possible or contact us to pledge your participation. If you have any questions or need any further information, do not hesitate to call us or visit us at [www.tbmgt.org](http://www.tbmgt.org).

Very Respectfully Yours,
