The legacy of the Tony Bice Memorial Golf Tournament is rooted in an unwavering commitment to burn survivors and their families. We are continually inspired by the faith, courage and perseverance of the men, women and children we have been privileged to serve over the past 28 years. This year, we play in their honor. A day of great golf and joyful community is a celebration of their bravery and resilience. Your generosity allows us to move forward with our mission as we look back with gratitude. Together, we will impact many more lives in the days to come.
